### Notes:

The Type 11 record must contain a corresponding Type 15 record number (in field 16) if a yield record is required for the crop. The corresponding Type 15 record must match to the Type 11 on:

Fields 1 thru 13 and field 28.

A matching Insurance in Force Record (Type 14) must exist for each crop policy.

Acreage will not be accepted by DAS more than 60 days prior to the earliest final planting date for the crop/type/practice in the county. This does not apply to California Sugar Beets (except counties 025, 035, 049, 089 & 093). This does not apply to Wheat and Barley in Idaho, Oregon and Washington.

Rate State and Rate County can only be different from Location State and County if a written agreement is in effect.
